## COVER STORY

Winter, most of the time, presents a rather "cool" attitude to the average eye, but if we look more closely we can detect something which could easily be described as beautiful. Nature has a way of extracting beauty from the most desolate places—Niakwa Golf and Country Club is no exception—but folks, tell me now, honestly—would you like to be playing this particular hole right about now?

## 45th Anniversary

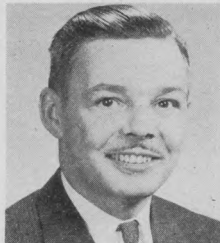

**MR. CHRISTIAN SIMPSON**

"Chris" Simpson of our Hargrave Annex group, celebrated 45 years with the Company on Tuesday, February 2. Chris has been connected most of this time with decorating departments, but he began his career with M.O. Assembly and Packing, which was of six years' duration, then M.O. Paints for six years and Store Paints and Wall-papers for 33 years.

Tuesday, February 2, in the evening, a banquet and social was held in his honour at the St. Charles, and Chris was the recipient of many gifts, the main one being a pen and pencil set. Thursday evening, February 4, the men of his department held a stag to commemorate the occasion at Mr. Liver's home and presented Chris with a sport shirt.

A mechanically-minded man, Chris Simpson has a keen interest in gas engines and photography. Plans for holidays are not too definite, but with a brother in San Diego, a trip to the States seems natural. Congratulations.

## 25th Anniversary

**MR. E. MARK WESTMACOTT**

Mr. Westmacott, of our Floor Coverings, sixth floor Store, celebrated his quarter-century with the Company on Thursday, January 28. Mark's working years include four years as a parcel boy, over three years with the Stock Audit and the remainder with his present department. Mark is married to a former Eatonian, Phyllis Agar of M.O. Cash, and has a family of two girls and a boy. He admits to liking a bit of golf and curling and also has a real interest in a summer home at Sunset Beach, Balsam Bay, near Grand Beach.

The morning of his anniversary, Mr. Keena on behalf of his associates, presented Mark with a transistor radio. On January 30 a dinner was held in his honour at Moore's at which time Mr. Jephson presented Mark with a golf club—possibly to replace one which disappeared after a missed putt? May we take this opportunity on behalf of your many friends in Eaton's, Mark, to wish you continued good health and lots of good times ahead.

# HONoured ON THEIR RETIREMENT

## MRS. PEARL SWATLAND

After 40 1/2 years' service Mrs. Swatland retired from the Company with a parting statement, "I really enjoyed working for The T. Eaton Company." Pearl plans on taking up housekeeping as her vocation now, along with the odd visit to see her friends in San Marino, Calif.

Mrs. Swatland is an ardent church worker, being a member of Knox United, and is a member of the Rebeccas and the True Blue Lodge. On January 25 a dinner was held in her honour and attended by associates from her department (M.O. Copying). She was presented with a lovely plate glass mirror along with many personal gifts. An interesting bit of news about Mrs. Swatland is that she is one of the first life members of the Manitoba Five-Pin Bowling Association.

Here's to a long life with good health and lots of happiness, Pearl, from your many friends in Eaton's.

## MR. HENRY CAYER

After 32 years' service, mostly with the Women's Shoes, Henry Cayer retired on Monday, February 1. Born in Kenora, Ontario, Henry came to Winnipeg as a young man, and after a few years in the shoe business around Winnipeg, joined Eaton's. Married with two daughters and three grandchildren, Mr. Cayer is pretty much of a home man. At one time he was an ardent bowler in the Shoe League. He plans on visiting with relatives in Kenora this summer.

Mr. Cable made a presentation of an easy chair to Henry on his last morning at work, a gift from the staff with best wishes for a long life and a happy retirement.

## MR. HERBERT WILSON

Mr. Wilson, of our Store Drugs Dispensary, retired on Monday, February 1, after 37 years' service. Born in Morden, Man., he is a graduate druggist of the University of Manitoba. He is married to an Eatonian, Rose Wilson, one of our part-time cashiers. They have one son.

In his younger days Mr. Wilson was very active in hockey, but now is quite content to be a spectator of all sports.

A breakfast was held at Moore's Restaurant in his honour on Thursday morning, January 28, and attended by staff and friends. Mr. McKerchar presented him with a beautiful oil painting, a gift from the department. Saturday night at the home of Mr. Mainella, an associate, a stag was arranged and a small presentation from the boys was made. Everyone professed to having a very good time.

As to the future, Mr. Wilson, may we take this opportunity of wishing you good health, happiness and a pleasant retirement.

## MR. WILLIAM EDWARD BOLLO

After 12 years of faithful service, Mr. Bill Bollo retired from the M.O. Paints. Mr. Dodds, on the morning of Mr. Bollo's retirement, February 1, presented him with a clock radio, a gift from his associates. He also received many personal gifts from friends.

Bill plays the violin as a hobby and is well known around these parts as he has played with many of the old-time dance bands. At the present time he doesn't do as much but still plays the "fiddle." He plans on taking things easy for a while and if all goes well might take a trip out to Vancouver to visit his son, Arthur.

Your friends at Eaton's wish you a long, happy life ahead, Bill, with good health always at your side.

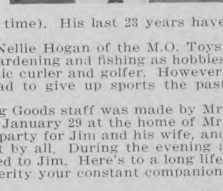

## MR. JAMES OAKES

Jimmy Oakes, as he is known by his many friends in Eaton's, retired from the M.O. Sporting Goods on Monday, February 1, after 34 years' service (within this span Jim has a bit of broken time). His last 23 years have been with his present department.

Married to a former Eatonian, Nellie Hogan of the M.O. Toys, Jim has one daughter. He enjoys gardening and fishing as hobbies and at one time was an enthusiastic curler and golfer. However, due to health reasons Jim has had to give up sports the past three years.

A presentation from the Sporting Goods staff was made by Mr. McCallum of a movie camera. On January 29 at the home of Mr. McCallum the gang from 61 had a party for Jim and his wife, and a very pleasant evening was spent by all. During the evening a gift of a movie screen was presented to Jim. Here's to a long life, Jim, and a healthy one with prosperity your constant companion.

## SUGGESTION WINNERS

### 10.00—Mrs. Joan Morton, Dept. W177—Suggestion Adopted

Mrs. Morton suggested that the name "Valley Room" be shown on the indicators in the elevators.

### 10.00—Miss M. Wilson, Dept. W116C—Constructive Thinking

Miss Wilson suggested that the Mail Order should discontinue the use of the letter "S" to designate the season of the catalogue. She pointed out that when an "S" is handwritten the slicers frequently mistake it for a 5 or an 8.

### 10.00—Mrs. N. Neufeld, Dept. W228—Constructive Thinking

Mrs. Neufeld suggested that it should be made very clear to all sales people—whether new staff or old staff—that when writing out a salescheck for a D.A., C.A. or Revolving Credit Account, that the bill is the same as a paid-sent bill when the customer is having the parcel delivered, and that the customer should always be given the receipt slip at the bottom of the salescheck.

### 10.00—Mr. N. Toews, Dept. 1657—Suggestion Adopted

Mr. Toews stated that it is difficult to keep the temperature at a low level in the ink storage room, but it would be helpful if (1) the steam pipes could be insulated with the regular heavy pipe insulation; and (2) the leaking valve be replaced on the steam radiator.

### 7.50—Miss Olive Eldred, Dept. W116D—Suggestion Adopted

Miss Eldred suggested that coat hangers should be provided in the 5th Floor Restaurant Bar as coat hooks are not practical for most of the fur coats worn by women today.

### 7.50—Mrs. N. Forrester, Dept W104—Suggestion Adopted

Mrs. Forrester suggested that less beverage would be spilt and the Employees' Cafeteria could be kept tidier, if the runners were altered on the tray slides at the check-out desks.

### 7.50—Miss D. Scott, Melfort, Sask., Order Office—Suggestion Adopted

When Budget Plan payments are made at Order Offices other than where the ledgers are carried, that a coloured sticker be attached to the receipt going in to Winnipeg.

### 5.00—Mrs. G. L. Powell, Dept. W227—Suggestion Adopted

Mrs. Powell suggested that the Nutty-Club nut and candy displays in the Basement Foodateria be moved to another location because they almost completely conceal the Car-park notice.

Head table: Mr. H. R. Screaton, Store Superintendent; Mr. R. Wright, Mr. R. Robertson, Chairman S. Marshall, Mr. R. Hutton, Mr. F. G. Muirhead, M.O. Divisional Manager, and Mr. W. L. Palk, Assistant General Manager.

## MAIL ORDER MANAGEMENT HONOURS 35-YEAR MEN

On the evening of Thursday, January 28, management of the Mail Order departments gathered to honour Mr. R. Robertson, Department 15; Mr. R. Wright, Department 70, and Mr. R. Hutton, Department 61, on attaining 35 years of continuous service with the Company. Head table guests along with Mr. S. Marshall, chairman, and the honoured three, were Mr. H. R. Screaton, Mr. F. G. Muirhead and Mr. W. L. Palk.

Mr. Marshall introduced the head table guests and Mr. Muirhead attended to the presentation of gifts along with some interesting and amusing sidelights on the career of each man. Mr. Robertson received lawn furniture, Mr. Wright a record player, and Mr. Hutton a power saw with accessories. A sing-song under the able direction of Mr. J. Leighton assisted by Mr. H. Price at the piano, brought the dinner to a suitable conclusion. Mr. Leighton composed three ballads concerning the principals—a very worthwhile effort indeed.

"Not being a regular customer of Eaton's but phoning on occasion, I have found: (1) that the girls on your Mail Order phones are very pleasant and always most helpful, and (2) Clerk No. 558, Mrs. Margaret Eaton of the lamps, has been very nice over the phone—explained the workings of a pale lamp to me and in general sold me the idea. She was very pleasant and didn't forget to suggest the lamp bulbs which I also bought. Someday may make myself known to her for I like doing business with pleasant people.

"Forgive me for writing, but I just had to give credit where credit is due."

"January 3, 1960."

"Dear Sirs: My brother, sister and myself wish to thank you for the nice Christmas party you gave us on December 19. We enjoyed it very much and the presents and everything were nice.

"Thanks to Santa and all who helped.

"Sincerely, James Zastre,  
"Grade 2, Alexandra School."

Left to right: Mr. K. A. Smith, Audrey Patrick, Catherine Le Claire, Arlene Justadt, Evelyn Chimka, Evelyn Bernier, Doris Pulick and Mr. W. M. LeBlanc.

### RED CROSS SWIMMERS COMPLETE COURSE SUCCESSFULLY

Ninety female employees enrolled for our Red Cross sponsored swimming lessons (ten in all). The six girls shown above were successful in completing their swimming tests and written examinations. Mr. W. M. LeBlanc, Director of Water Safety for the Manitoba Division, Canadian Red Cross Society, and Mr. K. A. Smith, Assistant Store Superintendent, presented awards to the girls.

Awards for the advanced swimmers, and those of the above group who turned their examination papers in late, will be distributed at a later date. Congratulations to all and here's hoping more will complete the course next fall.

### JAPANESE OLYMPIC HOCKEY TEAM ATTENDS LUNCHEON AT EATON'S

Winnipeg Maroons, representing Winnipeg in senior hockey competition this year, played host to the Japanese Olympic hockey team during their stay in Winnipeg. Along with the Japanese team, they were guests of The T. Eaton Co. at a luncheon held in the Assembly Hall on Monday, January 25.

Special guests included Mr. Sam McCallum of our Store Sporting Goods Department, and a member of our World Champions from Winnipeg, the Varsity Grads of 1930-31; Mr. Bobby Benson, member of the Olympic winner of 1919-20, the Winnipeg Falcons. Mr. Desire Belanger, well-known Winnipeg sportsman and member of our Eaton staff, was also present as a guest. Souvenir crests from the Winnipeg Maroons and gifts from the M.A.H.A. were presented to the Japanese team during the luncheon.

## TO BE OR NOT TO BE A BEE

A prominent Winnipeg dentist related a most interesting story to your Contacts editor and in part we would like to relay it to our readers. We quote:

"Bee-keeping in Manitoba laboured under a great handicap until quite some years ago. One of our local amateur beekeepers (namely our dentist) took an American beekeeper to Eaton's and they finally persuaded Mr. Sam Wilson to catalogue bees and bee supplies in Eaton's Fall and Winter Catalogue. Not, as was explained, to particularly gain Eaton's any profit, but that they felt there were many ex-beekeepers out west who would welcome the opportunity to start this sideline or hobby, when it was made so easy to do so.

"Three years later, when in conversation with Mr. Wilson, he related to me that the bee business had grown from nil up to \$75,000 a year. So beekeeping was introduced in a big way to the west."

And our catalogues still have an illustration in the yellow pages—proof that honey is sweet! Incidentally, our dentist friend wishes to remain anonymous.

# EATONIANS IN THE NEWS

## MR. WALTER SCOTT

Walter Scott has been elected president of Assiniboine Golf Club of St. James for the year 1960. Walter is well known in sporting circles in Eaton's and has been a member of the Assiniboine Golf Club executive for quite a few seasons. May we wish you well for the year 1960, Walter, and with the building of a practically new clubhouse you will be a busy president, we're sure.

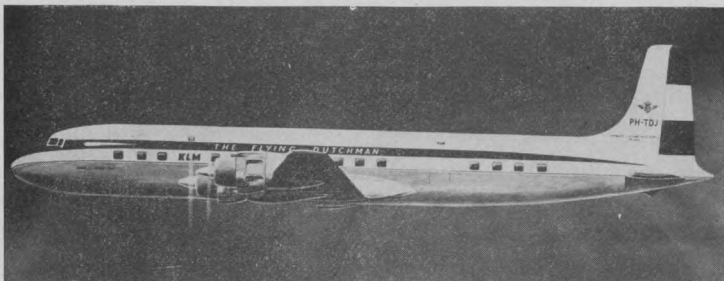

## *Fifty-One and a Half Years with Eaton's!*

HOMER BRITTON retired on Monday February 1, with a record for service equalled by few. Homer has that marvellous gift of "eternal youth" and when one looks at him one finds it hard to believe that he could have such a long record. A member of the Jewellery staff throughout most of the years, Homer will be missed by his multitude of friends at Eaton's.

The morning of his retirement a breakfast was held in his honour at Moore's Restaurant and attended by staff and friends. Mr. Dewar, on behalf of the assemblage, presented Homer with some very colourful lawn furniture. A stag was arranged at the Parker House and enjoyed by the many in attendance. Mr. Britton also received many personal gifts.

Mr. and Mrs. Britton plan on taking life pretty easy for a while with a possible trip this summer. A member of Oxford United Church and one of their stewards, Mr. Britton will probably be given a few projects to head up now he has "extra" time. In any case, may your many friends at Eaton's, Mr. and Mrs. Britton, wish you both long life and good health.

## PROGRESS AT EATON'S IN WINNIPEG

### Pneumatic Tube Installation for Mail Order

The T. Eaton Company is now installing a pneumatic tube system in its Winnipeg Mail Order Buildings to distribute the paper work required to process customers' orders throughout the system. The four by seven-inch fully automatic, direct contact carrier system will be the first installation of this kind to be completed in Canada, and is believed to be the largest system of its kind in the world.

Carriers dispatched from any one of the 38 stations within the system will be routed automatically to any system station by setting two dials on the carrier to indicate the number of the station to which the carrier is destined. The six sending and six receiving lines which interconnect the stations throughout the buildings, comprise more than 7,000 feet of aluminum tubing.

The system has been designed to handle 1,200 carrier movements per hour and has an estimated potential capacity of approximately 1,900 carriers per hour throughout the central control point. It is expected that a carrier dispatched from any station will reach its destination within three minutes, in many cases within two minutes.

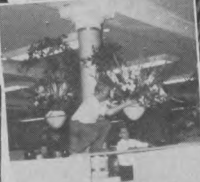

The use of the pneumatic tube system will improve customer service by speeding up the flow of paper work throughout the buildings and will also result in significant operating savings. Installation is being carried out by Kipp Kelly Limited of Winnipeg under the guidance of a representative of the Airmatic Company, manufacturer of the equipment. It is hoped that installation will be completed by March 1.

## EATON MEN'S CURLING CLUB

### OPENING DAY OF MANITOBA BONSPIEL AT EATON'S CURLING CLUB

Pictured are Fred Bergman, right, genial president of Eaton's Curling Club, and Jack McKay, secretary, as they waited to welcome the first draw of the big 'spiel on Monday, February 1. Each year the club provides a meal for the curlers during the first day of curling and the hot coffee, sandwiches and snacks sure hit the spot after a strenuous curling game.

Calling all curlers for our Annual Mixed Novelty Bonspiel! Entry forms are now available at all main notice boards in the Store, Mail Order and Warehouses and closing date for entries is February 19. Games will be played weekends at 3 p.m. and 5 p.m. and the first draw will commence weekend of February 28. Entry fee is \$4.00 per rink and you are guaranteed two games—play or default. Each rink must consist of at least two employees and must include at least two females.

Watch notice boards for draws. The executive would like to make this popular event bigger and better than ever, so please get those rinks lined up. Incidentally, this is a great opportunity to introduce a non-curler or your young off-spring to the pleasures of curling and the good fellowship of the curling fraternity.

As this is being written we have just completed round three and are on the eve of the 72nd Winnipeg Bonspiel, so will have a one-week lay-off. Proof of the popularity of the game can be found in the near record number of 454 entries this year. Our own club will be represented by four rinks which we are certain will all do well, especially Gordie Walker's rink which will be curling as a unit. This foursome has been curling well all year and gave a good account of themselves in the Consul Playdowns before bowing out.

After 24 games we have now reached the fourth round in Group One and the line-up and standings are as follows:

#### GROUP ONE — NEW SCHEDULE NUMBERS

Group "A"	Games Won	Group "B"	Games Won	Group "C"	Games Won
1 Reid	16	7 Hay	12	12 Bergman	10
2 Smith	16	10 Morrow	12	13 Bruneau	10
4 Walker	16	8 Wright	12	11 McGavin	8
5 Milne	14	9 Young	10	15 Wellard	8
3 Garden	14	6 Mainella	10	14 Aikman	5

#### GROUP TWO

1st Round—Winner still to be decided.  
2nd Round—Laing, 3 and 0.

#### GROUP THREE

1st Round—Winner, McClure 9 and 0.  
2nd Round—McClure, 2 and 0.

#### GROUP FOUR

1st Round Winner—Hogg, 8 and 1.  
2nd Round—Hogg, 3 and 0.

#### GROUP FIVE

1st Round—Hogg, 8 and 1; Barling, 8 and 0 with one game to play.  
2nd Round—Kyle 3 and 0.

The McGee Cup competition has now reached the finals and squaring off in this event will be Len Wimbles rink against Jim Smith's foursome. To reach the finals Len had to use his last rock to hand Jimmy McClure his first loss in 18 games this season. A tough one to lose and a nice one to win.

Scenes of hockey action at the Olympic Rink and a shot of the boys during a "breather" session.

## EATON HOCKEY LEAGUE NEARS FINALS

As we go to press our semi-final games have been played and the finals will have been completed before our March issue. As is evidenced above, the boys play the game of hockey for keeps, however nobody really gets hurt and the fellows have a wonderful time.

In the first game of the semi-finals Gremlins beat the Vikings 4-2 in a close-checking game. The second went to the Rockets 7-4 and the Red Wings will be shaking their heads a long time on that one. The final between Rockets and Gremlins should be a natural and we will have more on this in the next issue.

We are not having a Booster Night this year and will be wrapping up Eaton's Hockey for 1960 with a party for the boys sometime in March.

# THE EATON ANGLING CLUB

A general meeting will be held February 25 in the Free Press Board Room at 8:30 p.m. Election of officers for the coming season and club official business will be attended to at this time. All members are asked to please attend along with any new members who might wish to join. Membership fee is \$3.00 per man.

First trip to Shoal Lake is planned for May 23. There will be prize money for pike, pickerel and bass. Experience is not a necessity but be sure to bring all your luck charms!

Let's have a full turnout, men!

Mr. Bernard Scrivener became engaged to Miss Elaine James during the Christmas season. Congratulations, Bernard.

Among former colleagues present at Miss M. Vance's retirement party, the names of Mr. and Mrs. Bert Donnelly were inadvertently omitted. Sorry, folks.

### Men's Shoes—By I. Dunsheath

With the excitement of Christmas and hubbub of stock-taking, things seem dull and flat, especially too, since we've said au revoir to our extra help. We miss you, Olivia Musyk, Evelyn Murphy, Charlie Gard, Si Simonson and Clare Crane. We found you congenial and happy co-workers.

Miss Liepert of our office staff, leaves us for her home in Regina where she will be on staff in the Regina Store. She was the recipient of a lovely compact from the department staff. All the best and lots of luck, Helen.

### Drugs—By R. Bovey

Honouring our Hubert Wilson on his retirement after 37 years' faithful service in the Drug Dispensary, his many fellow workers came out to a breakfast at Moore's on the morning of January 28 at 8 a.m., to pay tribute to and bid him farewell. Mr. McKeerchar presented him with a beautiful oil painting. The following Saturday a stag was held at the home of John Mainella, and from all reports a fine time was had by all. During the course of the evening Mr. Marshall presented Hubert with a book from the gang. As an anti-climax to the evening Bill Taggart was presented with a scroll depicting some of his capers.

A breakfast was held at Moore's in his honour, and he was the recipient of lovely lawn chairs with Mr. D. Dewar doing the honours. Mr. Britton received congratulations and best wishes from his many friends throughout the Store during the day.

We wish to congratulate Mr. Bud Curtis on becoming the Department Manager of the Hand Bags Department.

#### Personnel Department—By Ruby Fraser

Some of these items will seem a bit outdated but owing to the pressure of business at Christmas, I was unable to report our December activities. A very enjoyable Christmas party was held at the Chatterbox on December 19.

The evening was spent dancing and playing games. Santa Claus also made a visit during the night and everybody received a gift.

Midnight came too soon and a very reluctant gang said goodnight and so to bed and dreams of a very pleasant evening. Many thanks to a very good entertainment committee.

We were pleased to have Maureen Orchard (nee Craig) at our party. Nice seeing you again, Moe. Montreal sure seems to agree with you.

Mr. and Mrs. Rodway entertained the Employment Office staff at their home to a lovely turkey dinner with all the trimmings. A good old-fashioned sing-song followed, with Carlie Carruthers at the piano. Thanks, Mr. and Mrs. Rodway, we all enjoyed it very much.

Sharon Dorratt of the Employment Office came in all smiles on December 31 with the all-important sparkler on her left hand. Although Sharon tells us the marriage date is a long way off, we still wish her the best. The lucky man is Emile Overwater.

Dona Downie of Staff Training received a very beautiful diamond at Christmas from Harvey Laycock. Congratulations, Dona and Harvey.

Ken Gibson, Wage Administration, and John Frisken, Staff Training, are on loan to the Y.M.C.A. Development Fund. We miss seeing you around, boys, but know that you are doing a good job.

We were very sorry to hear of the illness of Mrs. Laidlaw, wife of Bob Laidlaw, Staff Relations office. Mrs. Laidlaw was taken to the hospital on New Year's Eve, but is now on the road to recovery.

LOST—A "Pearl" from its setting on February 1. Please return to Department 116. Yes, we bade farewell to Pearl Swatland (nee Harper) as the day of her retirement rolled around.

Amidst a host of friends bringing congratulations and good wishes, and with a table filled with beautiful gifts and keepsakes, she leaves her work behind but not the golden ring of friends acquired over the years.

She was the guest of honour at the home of Jean Seaman on January 15, when a group of friends gathered around a luscious personal cake for Pearl. The TV turned off, the evening was spent in an old-fashioned chin-wag, and as a result a good time was had by all.

Monday, January 25, was the occasion of a very pleasant evening when 36 friends from the department (past and present) met in Moore's dining hall to weave more pleasant memories into the picture of Pearl Swatland's life with Eaton's.

After a lovely dinner a farewell speech was given by Mattie Halderson, reminding Pearl that retirement is not the end of the way, but just a bend in the road, and expressed our good wishes for happy days around the bend.

A beautiful plate-glass mirror was presented by Betty McMurdo and Marguerite Cogle, may it bring pleasant reflections.

A telegram was read by Marguerite Cogle from Mr. Blythe who is at present in the east, expressing regret at his absence and conveying to Pearl best wishes for the future. This thoughtfulness was appreciated by all of us. Our best to you, Pearl, good health and happiness—drop in and see us often.

We are sorry that Edna Watt is not well and trust she will soon be restored to her former good health.

We welcome Leta McMullen back again after her accident. Broken wrists seem to be contagious—now Vicky Henchuk has one. We're very sorry, Vicky, and hope it will heal quickly.

Budget Office—By M. R. McLean

Our congratulations to Roxanne Hayden who became engaged December 14.

We have lost four of our staff recently: Adeline Mandziak, who had been with us a little over five years, left to take up a position elsewhere. Marlon Polson and Betty Miles have been transferred to the M.O. Divisional Office. Inez Goyeau, with over seven years in our office, has been binned by her friends. Inez is making a decided change—moving to Germany with her husband who has been posted there by the Air Force for the next four years. We will miss these girls, and wish them luck.

Mildred Carlson is back after an illness. We wish her better health from now on.

Girls' Wear—By Vera Timmins

Sorry to report Mrs. Faddick is still on the sick list. Our very best wishes, Cathie, get well soon.

Cashiers—By O. Quinlan

Our congratulations to Joan Ingram and her teammates on their winning the second event at the Stonewall bonspiel.

Sorry your daughter is so ill, Bob, hope she will soon be home.

Don't know just where our sympathy should go under the circumstances—to Mr. Blythe for having to get along without us for the six months he will be in Toronto, to Mr. Wall for having to put up with us for that length of time, or to us?

We trust you are finding the learning of this new system is proving interesting to you, Mr. Blythe, and hope you are finding time to keep up with your music practise.

## Infants' Goods, Children's and Teen-Age Underwear

Our belated congratulations to Miss Betty Martens who received a lovely diamond on October 17. The lucky fellow is Curt Enns. Also to Sherry McQuay who received a diamond on December 25.
